

## Declaration of private use

By signing this document, I confirm that I am using TeamViewer on my device only for private use, meaning (check boxes where they apply):

- Providing help to family and friends
- Monitoring and administering devices outside of a commercial environment
- Other: \_\_\_\_\_

This applies to the device ID mentioned in the form when I requested the reset.

I am **not** using TeamViewer on the aforementioned device for

- Connecting to a device at work
- Providing support to colleagues
- Providing support to customers
- Monitoring and administering devices in a commercial environment
- And other activities that are directly or indirectly paid

I am aware that the TeamViewer GmbH is entitled to block my device completely in case of detected/verified abuse.
