# "Will it work on my keyboard?"

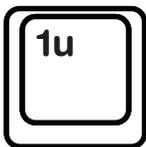

## Cheat sheet!

Print out at 100% and you'll have a quick reference sheet for common keycap sizes.  
You never know when you might need it!

### The 1.Xu Keycaps

These are for your alphas and some of your smaller modifiers.

### The 2.Xu Keycaps

These are typically for your modifiers, or sometimes spacebars for you weirdos.

### The Spacebars

'Nuff said. If you are using a board with a 6u space... good luck!

I'm as big as a US Quarter!  
Use me as a scale reference.
